

Meeting Summary

American Mosquito Control Association (AMCA) Meeting with U.S. Environmental Protection Agency (EPA), U.S. Fish and Wildlife Service (FWS), National Marine Fisheries Service (NMFS), and U.S. Department of Agriculture (USDA)

May 16, 2018

On May 16, 2018, representatives from EPA, FWS, NMFS, and USDA, met with AMCA to discuss mosquito control challenges and the potential impact of NMFS's December 2017 Biological Opinion on chlorpyrifos, malathion, and diazinon on their mosquito control operations. AMCA presented an overview of mosquito control operations and provided their general perspective regarding measures that were included in the Biological Opinion. In addition, data that may inform EPA's biological evaluations and NMFS's Biological Opinion were discussed.
